REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A Certificate of Correction is respectfully requested in the above-identified patent.

The following error has been made:

Column 10, claim 12, lines 14-16, the section "battery bay aft of a portion of the airfoil while maintaining a balance point that enables the airfoil to achieve sustained flight." is incorrect. As set forth in the Amendment dated November 27, 2007, the section should read as -- battery bay aft of a nose portion of the airfoil with shock-absorbing material between the battery and the nose portion of the airfoil while maintaining a balance point that enables the airfoil to achieve sustained flight--.

Attached is the certificate of correction, which indicates the correction to be made, by reference to the column and line number in the printed patent. Because the error was made by the Patent Office, no fee is necessary. However if it is determined to be our error, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC
